Aqua Expeditions: Aria Amazon cruiser

Immerse yourself in comforts in one of the world's last great wildernesses. Custom built to explore the Peruvian stretch of the mighty Amazon River, the 147 foot, 16 cabin **Aria Amazon** incorporates generous indoor and outdoor lounging spaces, an elegant dining room and top deck bar. Spacious private living quarters feature expansive Amazon River facing windows. Guests enjoy delectable indigenous dishes like hearts of palm soufflé and plantain-yucca gnocchi created by Executive Chef Pedro Miguel Schiaffino, globally renowned for his Amazon influenced cuisine. Experienced naturalist guides lead excursions deep into Amazonia, bringing groups of no more than eight up close among pink dolphins and spectacled caimans in the enigmatic black waters. Yellow spotted Amazon River turtles meander along the muddy shoreline, sapphire blue beaked Amazon kingfishers streak past overhead and antediluvian prehistoric hoatzin birds alight on high branches near dusky titi monkeys playing in the tree canopy. Guests may cycle, kayak, swim and fish en route to further engage with the wonders of Amazonia. A full time paramedic on board ensures guests' safety on every adventure.

Aqua Expeditions Aria Amazon cruiser proudly features a newly refreshed and elegant look indicative of their vision to provide a unique, world-class experience. This striking black hulled ship accommodates a maximum of 32 guests and 27 crew, ensuring quality and comfort is expressed in every element of your journey.
