SPANISH LESSON & TAPAS TOUR Practice your Spanish skills during a half-day shared tour; gain a better understanding of how the Spanish language influences how locals think and live. Meet at **St. Francisco Church**, then walk to a 16th-century bar in the city center. From this cozy spot, enjoy cultural snacks and share some key Spanish words that will help you to better understand the local culture and lifestyle. The experience will be very informal and interactive – more like a conversation with friends than a lesson. Your guide will share cultural stories and you will walk away knowing the good, the bad, and everything in between about Mallorca and Mallorcan culture. Leave with your own Spanish book as a souvenir. This evening, delve into Mallorca's culture on a small-group **foodie adventure**; travel through the cobbled back streets of Palma along the **Ruta Martiana** to taste five different tapas with five accompanying drinks of traditional Spanish wines or ice-cold beers at a variety of bars each with their own quirks and personalities. From Spanish omelets to Iberian ham, your guide will help you with the seemingly endless *tapas* choices alongside new friends. *M House Hotel*
