See the ornate architecture of Lecce and spend two nights in Bari, the port city nestled in the heel of Italy's boot.

### Day 1

**BARI – ALBEROBELLO** Arrive in **Bari**. Welcome and transfer to Alberobello. Take some time to settle in; enjoy a welcome briefing followed by a welcome dinner. *Palazzo Scottò or similar* ★★★★★

### Day 2

**ALBEROBELLO, LOCOROTONDO & CISTERNINO** After breakfast, begin exploration of **Val d'Itria**. Pass along beautiful small villages, vineyards and olive trees. **Locorotondo** is located very close to Alberobello; it is considered one of the most beautiful villages in Italy, a whitewashed maze of narrow streets and ancient buildings. Take beautiful photos while wandering *centro storico*, the historic part of town, perched on top of a hill. Visit **Cisternino**, a small charming old town that has remained virtually intact for centuries. There are a series of panoramic viewpoints from which you can appreciate the surrounding countryside. Enjoy a wine and cheese tasting followed by a farmer's lunch in a beautiful **Masseria**, where you will see the green of olives and the blue of the Adriatic Sea. Return to magical **Alberobello** where you will have time to explore the city on your own. Defined by its *trulli*, the traditional dome shaped buildings made from local stone, the town is surrounded by the olive groves and vineyards typical of the Puglia region. *Palazzo Scottò or similar*

### Day 3

**OSTUNI, POLIGNANO & MONOPOLI** Better known as the **White Town**, **Ostuni** sits perched on three hills. Its characteristic whitewashed houses are a tradition upheld by its inhabitants. A series of churches and elegant houses embellish the old town. **Polignano** lies south of Bari on the edge of a rocky gorge, considered one of the most ancient establishments in Puglia. Many are drawn to it for cliff diving, its outstanding ice cream and delicious traditional local breads of the *panifici* bakeries. In **Monopoli**, experience an unusual concentration of cultural heritage and churches, positioned literally one next to another. See small and charming homes, once inhabited by heroic fishermen and expert farmers, whose children are still dedicated to producing great wines. Return to Alberobello. *Palazzo Scottò or similar*

### Day 4

**ALBEROBELLO – MATERA – LECCE** After breakfast, check out of your hotel. **Matera** is the third oldest city in the world, after Aleppo and Jericho, with over 10,000 years of history. From natural cavities carved by wind and rain of the past to the first man-made caves, discover how easy it was to shape the limestone material of the sassi rock. Enjoy free time to explore this UNESCO World Heritage Site. You can visit the most beautiful churches, starting from the Duomo on the Civita; walk through the beautiful streets and traffic-free squares; enjoy the most picturesque alleys. Opt for an optional panoramic tour by three-wheeled *Ape Calessino*. Continue to Lecce for overnight. *Risorgimento Resort or similar* ★★★★★

### Day 5

**LECCE** In the afternoon, meet your guide for a tour of the beautiful city of **Lecce**, also called the *Florence of the South* due to the abundance of monuments and historical buildings here. Thanks to the presence of limestone, which is soft and easy to work, Lecce soon became the center of ornate architecture known as *barocco leccese*. *Risorgimento Resort*

### Day 6

**LECCE – BARI** Enjoy breakfast and check-out of your hotel. Your private driver will take you to **Bari**, a port city nestled in the heel of Italy's boot.
